MORE THAN JUST FLOORING

MAY - JUNE 2016

Warm up your home
this winter with carpet.

STAINMASTER
carpet®

CARPET

Long lasting Softness

CALDER

Level cut loop that is designed to withstand years of the usual wear and tear that comes with everyday living.

STAINMASTER® EverSoft® SDN carpet is made from advanced solution dyed nylon technology. Not only does it have an incredible softness that has to be felt to be believed, it comes in an exciting range of colours, patterns, textures and styles.

Unlike most SDN fibres which are made of bulky individual filaments, STAINMASTER® EverSoft® SDN carpet is made of individual filaments that are much finer and therefore softer – the result is a carpet that is incredibly soft and luxurious. What's even more remarkable is that it's designed to withstand the wear and tear of everyday living. As you'd expect.

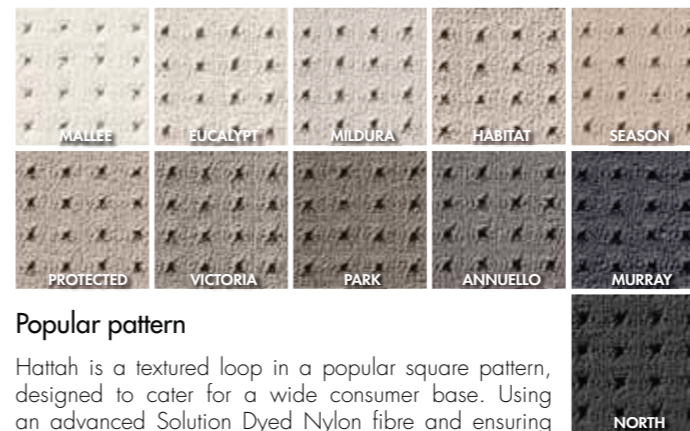

STAINMASTER® EverSoft® SDN carpet comes with a lifetime food and drink stain resistance limited warranty, lifetime dry soil resistance limited warranty, 15 year fade resistance limited warranty, 15 year abrasive wear limited warranty (defined as fibre loss from abrasive wear) and lifetime anti-static limited warranty. Please refer to the full details in the Limited Warranties booklet available in store or online <http://stainmaster.com.au/page/warranties>

HATTAH

KYNETON

Popular pattern

Hattah is a textured loop in a popular square pattern, designed to cater for a wide consumer base. Using an advanced Solution Dyed Nylon fibre and ensuring quality construction, Hattah offers a luxurious soft feel and will wear well.

Chunky loop

Kyneton is an appealing chunky loop pile with a less defined pattern. The advanced Solution Dyed Nylon fibre ensures a super soft feel and lasting performance.

Colourfast fibre provides protection against fading

Soiling resistance technology

Hard wearing fibre provides durability

Easy to care for thanks to stain resistance technology

Anti-static

State of the art softness

TIMBER

WANT SOMETHING DIFFERENT THAN A GLOSS FINISH? BLACKBUTT 1 STRIP AND SPOTTED GUM 1 STRIP ARE NOW AVAILABLE IN MATT BRUSHED FINISH.

Texture is the buzzword for flooring now with saw cuts, reclaimed finishes and industrial details set to trend. The all-new Spotted Gum and Blackbutt in Matt Brushed finish offers the beauty of the well-known and popular Australian species in a natural, rustic look. These designs are very different from their glossy siblings and more forgiving to scratches and wear.

The combination of superb designs, stylish finishes and precision German engineering gives Sensa Solido Elite a perfect traditional timber plank look and feel.

A high quality standard is maintained throughout the manufacturing process of Solido Elite. The Sensaloc G5 drop end locking system gives extra strength and makes for fast and efficient installation.

All 4 sides are coated with Isowaxx, to create a moisture seal and eases in the installation process.

Commercial wear rating AC4 offers great strength, scratch resistance and an easy to maintain floor.

All Sensa laminate flooring is produced with respect to forest management and maintains both FSC and PEFC certifications.

Solido Elite is available in a warm and stunning colour range to realise your own beautiful interior.

STYLISH, SUSTAINABLE, STRONG

NATURAL

Popular with home owners and architects alike, bamboo flooring is valued for its sustainability, durability, and stylish appearance. Its exceptional hardness and density make it an excellent flooring choice, while having the added benefit of being better for the environment too.

STYLISH

- 11 amazing colours
- Handscraped and smooth texture options
- Stunning semi-gloss finish enhancing the natural colour of the bamboo
- Widely specified by architects and designers

SUSTAINABLE

- More sustainable than timber – can be reharvested every 7 years
- Exceptionally priced – cheaper than timber, competitive with laminate

STRONG

- Hot press strandwoven manufacture for extreme density and stability
- Janka rating of 16 – harder than most timbers
- Can be laid over any floors including tile and concrete
